

Tanzania Joy in the Harvest Mission Trip 2023

Joy in the Harvest is a long-standing mission partner of Kingwood Methodist. This August we are taking a team of 8-15 individuals to Tanzania to help build an Apprentice Shop for a new ministry within their compound. The ministry that will utilize this facility will equip locals to learn a skill/trade of wood and metal working so that they might create sustainable futures for their family for generations. A key component of this ministry is that while they are learning their trade, they will also be poured into and disciplined in the Christian faith. What better way to shape the future of a community, than to rise up Christian entrepreneurs and workers. Most of the work will be building, but there will be opportunities for members of the team that are not skilled in building to support the ministries of Joy In the Harvest while in country.

Dates: 15 - 17 day trip

(subject to change) August 10-27

Basic Trip Itinerary:

August 10th – Evening flight – 14 hour flight

August 11 – Sleep in Doha
